NATIONAL

American Dental Association

This site includes information on current oral health topics in an A-Z listing, a directory of dentists, and news and media from the ADA.

www.ada.org

American Dental Association, *CLASSROOM INFORMATION AND RESOURCES.*

Talking with children about their oral health can be a rewarding activity for both you and your young audience. In addition to school classrooms, there are other groups that serve children who could benefit from oral health education activities. Examples include: Boys and Girls Clubs, Head Start programs, faith-based youth groups, YMCA/YWCA.
